CONFIRMATION OF ORAL RESTRICTION REQUIREMENT AND ELECTION

Commissioner for Patents  
P. O. Box 1450  
Alexandria, Virginia 22313-1450

Sir:

This is to confirm the recent telephone discussions between the Examiner and the undersigned regarding a two-way restriction requirement involving one claim group formed of article claims 1 to 5 and 10 and a second group formed of claims 6 to 9 and applicants' election, with traverse, of the first claim group. The election is made with traverse because there is no indication in the record that the subjects matter of all claims cannot readily be examined at the same time.

Serial No. 10/748,671

An early examination of at least claims 1 to 5 and 10 is earnestly solicited.

Respectfully submitted,

PARKHURST & WENDEL, L.L.P.
